

College and Career Readiness Workshops

The Readiness Workshops are open to secondary and higher education administrators, teachers, guidance counselors, and program directors at all levels.

These hands-on, full-day workshops will introduce you to the latest data on college and career readiness in South Carolina, and, together, we will consider how we might improve the state of readiness for our students in South Carolina.

May 27, 8:30-3:30 Midlands Technical College

May 28, 8:30-3:30 Trident Technical College

May 29, 8:30-3:30 Winthrop University
